SPACE.

Young people spend their lives learning what to say. At Loud Speaker, we teach them how to say it.

Loud Speaker is a unique, new-age, high-energy training day that gives young people tools that enable them to speak professionally and leave them confident enough to take up opportunities.

Expect huge icebreakers, new friendships, disco anthems and maximum energy from our coaches throughout the day. This is all underpinned by our core learning modules, taking young people through everything they need to know about body language, voice impact and performance mentality.

OUR STORY

We started as 3 recruiters for the National Citizen Service programme deciding we wanted share our public speaking and presenting skills with the young people who took part. We ended up having the chance to do so much more...

Our backgrounds include formal acting training, international events management, higher education expertise among many other weird and wonderful roles. Drawing on these experiences, we built a training platform that gives young people essential speaking skills, framed in a way that gets them to maximise their outcomes.

We realised that every young person would benefit from what Loud Speaker has to offer. From NCS programmes in Liverpool, we've expanded to have a national reach as well as into Colleges & Sixth Forms.

Our ethos sees our sessions improve every time; acting on feedback and being open to innovation. We're building towards a future where all young people have the ability to speak out and speak well.

Simply put, we want every young person to be a Loud Speaker.

"THE SESSIONS WERE FULL OF ENERGY AND PASSION AND WERE THE PERFECT BALANCE OF LISTENING AND DOING. IT ENABLED THE GRADS TO LISTEN AND LEARN AND THEN PUT EVERYTHING INTO PRACTICE IN AN ENGAGING AND CREATIVE WAY.

THE TEAM WERE SO PASSIONATE, KNOWLEDGEABLE AND INVESTED IN DEVELOPING THE SKILLS OF THE GRADS. THE WHOLE TEAM WERE SMILING AND LAUGHING THROUGHOUT THE DAY.

I DON'T THINK THE LOUD SPEAKER TEAM WILL REALISE THE POSITIVE IMPACT THEY WILL HAVE ON THE NEXT GENERATION AND I WOULD ENCOURAGE ALL TEACHERS, DELIVERY PARTNERS AND YOUTH ORGANISATIONS WHO COME ACROSS LOUD SPEAKER TO GET THEM BOOKED IN ASAP!"
